

Jewel Case Inserts

FRONT INSERT

The front insert can be single or multiple pages, finished size of $4\frac{3}{4}$ " X $4\frac{3}{4}$ ".

BACK LINER

The back liner is the card seen through the back of the Jewel Case.

The dotted lines indicate where the perforations will be placed. Perforations should "break" when the flap is bent 90 degrees. Twelve (12) perforations per inch is recommended.

BLEEDS

Add $\frac{1}{8}$ " to borders for full bleeds.
